Re: Boddington Shire

Shire President and Councillors

I have a couple of topics I would like represented again at the next Shire Meeting on Thursday October 15<sup>th</sup> these items have been presented at the June 18<sup>th</sup> meeting. Requesting to re-represent these items as there are new councillors also to date there seemed to be no progress on these matters? When is Days rd. going to be sealed? Has plaques been ordered or designed for the statues around town? What progress has been made for a equipment GYM

a) We would like to know where the shire is at with the sealing of Days Rd coming over the river crossing up the incline.

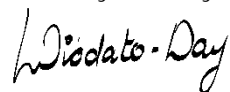

b) The art work of BOBO on the oval- as the art work is at the moment know one (other than locals) know what the art work represents. I would (with the permission of the Fitzgerald family) like to see a plaque or signage done giving a story about BOBO. As the art work is near the free camping area and visitors walk pass there it would be a lovely story to read.

I would also like to request consideration for the roster gets relocated away from the art work of BOBO, it looks awkward there and has no meaning to BOBO.

Perhaps some of the art works that are staying its position permanently can have a plaque. Information about the designer and the story behind the piece created.

c) Is there a possibility of an Equipment Gym to be set up in Boddington? Possible place is the Rec Centre.

Thank you for your time

Sincerely Nadia Diodato-day

Disclosure of Interest: Nil  
Date: 12 October 2020  
Author: Graham Stanley, Acting CEO  
Attachments: 8.2.1A List of Payments – September 2020 (CONFIDENTIAL)

#### Summary

The Local Government (Financial Management) Regulations 1996 require the preparation of a List of Payments made from the Council's bank accounts.

#### Background

A list of the payments made in each month is to be prepared and presented to a meeting of Council in the following month.

This list of payments is to be reviewed by Council separately from the monthly financial statements. This will ensure that the requirement of the Financial Regulations for the list of payments made in one month to be presented to the Council meeting in the following month, will be met even if the financial statements are not presented to that meeting.

Councillors have the opportunity to query or inspect invoices before the meeting to satisfy themselves before the item comes before Council.

#### Comment

The List of Payments for the month of September 2020 is presented in Attachment 8.2.2A.

#### Statutory Environment

Local Government (Financial Management) Regulations 1996

13. Payments from municipal fund or trust fund by CEO, CEO's duties as to etc.
- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared –
- (a) the payee's name; and
  - (b) the amount of the payment; and
  - (c) the date of the payment; and
  - (d) sufficient information to identify the transaction.
- (2) A list of accounts for approval to be paid is to be prepared each month showing –
- (a) for each account which requires council authorisation in that month –

- (i) the payee's name; and
  - (ii) the amount of the payment; and
  - (iii) sufficient information to identify the transaction; and
  - (b) the date of the meeting of the council to which the list is to be presented.
- (3) A list prepared under subregulation (1) or (2) is to be –
- (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
  - (b) recorded in the minutes of that meeting.

8.2.2 Monthly Financial Statements – September 2020
---

Disclosure of Interest:	Nil
Date:	13 October 2020
Author:	D Long – Finance Consultant
Attachments:	8.2.2A Monthly Financial Statements – September 2020 8.2.2B Budget Statement of Financial Activity 2020-2021

Summary

The Monthly Financial Report for 30 September 2020 is presented for Councils consideration.

Background

The Local Government Act 1995 and the Local Government (Financial Management) Regulations 1996 require local governments to prepare monthly reports containing the information that is prescribed.

Comment

The Shire prepares the monthly financial statements in the statutory format along with other supplementary financial reports consisting of:

- (a) Statement of Comprehensive Income by Function/Program;
- (b) Statement of Comprehensive Income by Nature/Type;
- (c) Statement of Financial Activity;
- (d) Summary of Net Current Asset Position;
- (e) Statement of Explanation of Material Variances;

- (f) Statement of Financial Position;
- (g) Statement of Cash Flows;
- (h) Detailed Operating and Non-Operating Schedules;
- (i) Statement of Cash Back Reserves; and
- (j) Loan Borrowings Statement.

## MATERIAL VARIANCE COMMENTARY ON YEAR TO DATE SEPTEMBER 2020

Regulation 34 of the *Local Government (Financial Management) Regulations 1996* require local governments to prepare annual budget estimates and month by month budget estimates so that comparatives can be made to Year to Date (YTD) Actual amounts of expenditure, revenue and income. Attached to this report is a copy of the month by month cumulative budget estimates, set out in the Statement of Financial Activity format.

At its budget meeting, Council adopted a material variance threshold of \$10,000 or 10%. For interpretation purposes, this means any variance at Function/Program level that is greater than 10% and exceeds \$10,000 in value is reported on and commentary is provided to explain the YTD budget estimate to YTD actual variance. The material variance is shown on the Statement of Financial Activity, in accordance with the *Local Government (Financial Management) Regulations 1996*.

The material variance commentary is now provided in a separate statement, called the Statement of Explanation of Material Variances. This statement categorises the variance commentary according to reporting Functions/Programs and groups the variances by Operating Revenue, Operating Expenditure, Non-Operating/Capital Revenue, and Capital Expenditure.

The Statement of Financial Activity shows a closing deficit as at 30 September of (\$401,621). The deficit is due to rates not being raised until October as a result of the Budget being adopted on 30 September 2020, and a number of large cash outlays on capital expenditure projects relating to Drainage capital works and Foreshore capital works occurring during September 2020.

### Statutory Environment

#### Local Government Act 1995

Section 6.4 – Specifies that a local government is to prepare such other financial reports as are prescribed.

#### Local Government (Financial Management) Regulations 1996:

Regulation 34 states:

- (1) A local government is to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under regulation 22(1)(d) for that month in the following detail:
  - (a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);
  - (b) budget estimates to the end of month to which the statement relates;
  - (c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
  - (d) material variances between the comparable amounts referred to in paragraphs (b) and (c);
  - (e) the net current assets at the end of the month to which the statement relates.

Sub regulations 2, 3, 4, 5, and 6 prescribe further details of information to be included in the monthly statement of financial activity.

COUNCIL DECISION – 8.2.2
