Hi, my name is Hans and I'm your local Locksmith.

My wife and I moved to Boddington 15 years ago for a tree change. I started my Security company in 1997 in Perth and decided it was time for a change of pace. After moving to Boddington I found that there was not enough work for a full-time Locksmith so I got a job with the local Shire while also working as a locksmith.

After about 2 years an opportunity arose to work at the Newmont Gold Mine as a Metallurgical Technician, which I did for 12 years until my retirement last year.

I was always interested in running for local council and I have decided to run as a potential Councillor in these extra-ordinary elections.

I believe that running my business for 26 years, working on the shire road crew for 2 and living here for 15 years has given me an insight into the wants and needs of our local ratepayers.

With this in mind I ask you to give me your vote at the upcoming council elections.

Thank you for taking a moment to read this.
