Residing in Boddington for seven years, I'm fueled by a genuine desire to contribute to its improvement. As a plumber, I address the practical needs of residents and businesses, gaining a unique perspective on community challenges. This hands-on experience reinforces my belief in the critical role of effective local governance for a high quality of life.

Beyond my professional role, I actively engage with the Lions Club extending my commitment to Boddington beyond the pipes into the heart of our special town. I envision a council fostering open dialogue, ensuring decisions resonate with varied perspectives, and empowering all residents. Accessibility is a cornerstone of my pledge to be an approachable and responsive council member.

Together, let's build a council representing our community's interests. Support is sought to shape a future where the town prospers and the spirit of community thrives. I humbly ask for your support and the opportunity to serve you on the Boddington council.
